More ALIVE in 2025

Fall 2024

"Prayer lays hold of God's plan and becomes the link between His will and its accomplishment on earth. Amazing things happen, and we are given the privilege of being the channels of the Holy Spirit's prayer."

Elizabeth Elliot

As the trees begin now to show us what cool things can happen when we let go, we reach forth with renewed vision to come ALIVE in 2025. We here in CEF of Northeast TN believe God is doing a new thing!

Isaiah 43:19 "Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert."

Through God's grace we have gone from just 2 *Good News Clubs (GNC)* in public schools to now 5. We have seen 2 counties in our area open up completely to welcome *GNCs*. We have gone from 3 Summer Good News Clubs to 12 Summer Good News Clubs. Finally, we have seen God bring 100 people to be trained and equipped to bring Jesus to children across Northeast TN.

Now, it is time to enact our strategy to propel this chapter forward in step with what God is doing. Nehemiah was a man with a mission and burden from the Lord. We have an incredible mission and burden from the Lord as well. We firmly believe PRAYER & ACTION together leads to a WIN. With one hand in the work and one hand raised in spiritual battle, God gives victory. We are inviting you to join us in PRAYER and join a *GNC* team.

Our wall in Northeast TN is in ruin. We have 103 public elementary schools needing a *GNC*. We have over 90,800 children who need to know Jesus. Much has been done yet so much more lays waiting. We would like to see 8 more *GNCs* this school year. We would like to share Jesus through Gospel facepainting at more events still this year.

Will YOU join the army of warriors who take Jesus to the children of Northeast TN? See the insert for details on how to do that.

Dear Church, Adopt A School!

Northeast Tennessee is home to 103 public elementary schools with a total of approximately 90,815 children. According to the Southern Baptist Convention, 80% of these children will never attend an evangelical church on Sunday morning or attend any church programs. How then, will they hear about Jesus? Who will tell them?

We have an incredible opportunity to tell these precious ones of Jesus by going to them at their public school once a week to hold an after-school *Good News Club*®! Club can run all school year long or it can be conducted in 6 week blocks. What an

amazing short term local missions opportunity?! We would LOVE to partner with YOU and your church to see this happen!!!

How can we reach all 8 counties in Northeast Tennessee Chapter?
We Need you!!

We will train you, provide materials to teach, go ahead of you and prepare the way with the school, and cover you in prayer and encouragement. We have already been praying over YOU actually.

Dear brothers and sisters in Christ, no longer can we look to others to do what God has called us to do. No longer can you assume other members of the body of Christ are the only ones qualified, have the time, or have the passion to reach children. Jesus clearly tells us He does not want children to be lost without Him. Jesus clearly orders each of us to GO and TELL them. Brothers and sisters, the days are dark and we carry The Light within us...let us ALL be bold, intentional, and obedient to our Savior's command to GO and make disciples of **ALL** (including children).
