Abounding in His Grace

2nd Quarter 2025

"Prayer is the greatest power God has put into our hands for service - praying is harder than doing, at least I find it so, but the dynamic lies that way to advance the Kingdom."

Mary Slessor

Our Local Board meets regularly to discuss matters pertinent to our chapter's best interest and future. We are looking for more people to join our board. If interested in visiting a meeting or joining the board, email us at:

As you sit and read about all the God moments in Northeast Chapter, we are still running top speed in summer ministry season. We are witnessing more children coming to clubs, a stirring of new interest from churches, and so many more opportunities to go share Jesus. We are praying that as you look at the pictures and read the snippets of activity that YOU would be moved to action to join in on what God is doing in Northeast TN Chapter.

God At Work

God has shown up and shown out in so many ways this quarter. We held a first time *Go & Tell* Seminar for kids at Towering Oaks Christian School in Greeneville. There were **127** kids trained and equipped to share the Gospel through the wordless book colors.

We held 4 Easter Party Clubs reaching **123** children witnessing **9** salvations!! Glory to God!

We ended our *Good News Club* year having reached **292** students which was a **55%** increase. Witnessing a total of **11** salvations! Hallelujah!!
