God is writing a pretty amazing story in *CEF* of Northeast TN Chapter. This last month we were able to serve at Covered Bridge Days in Carter County. God opened the way for *CEF* NETN to do a new and different kind of out-reach. We had a Bible Story Tent complete with a storytelling Princess and a puppet team for commercials. We saw whole families coming into the tent to hear the Bible story and the plan of salvation!

We are seeing and sensing a move of the Spirit of God for such a time as this. Please consider joining us the first Monday of each month to pray over our counties from the county seat. Prayer is our way forward!

When God's people align with God's heart allowing Him to flood their hearts with a passion it results in action. Action leads to **going** and **telling** children of God's amazing plan of salvation. Children are waiting.

We are preparing to open 4 new *Good News Club*® (*GNC*®) in public schools in the next month! It's NOT too late to join in and form a team from your church to get a club started this year!

Next training is October 18!

This summer CEF NETN held several Summer 5-Day Clubs. It was amazing to see God bring so many children to hear about Jesus and see **5** of them receive Jesus as their personal Savior! But this summer we saw a FULL picture. One little girl received Jesus as her Savior then went home and asked her parents to take her to the church on Sunday. Her parents brought her to church and that Sunday both received Jesus as their Savior. Then just 2 weeks later the whole family was baptized! What a beautiful picture of salvation for the whole house.

Del Rio Elementary School is nestled in the mountains of Northeast TN and was hit hard during Hurricane Helene. CEFNETN heard about this little school and their situation. By Easter 2025, CEFNETN

headed up through the hills to bring a PARTY CLUB™ to this precious body of students. That day 1/3 of the school stayed for the afterschool Easter Party Club. That day students responded to the games, songs, memory verse, and Bible Lesson. In fact, that day 8 children placed their faith in Jesus for the very first time as the only one to forgive their sin and they became children of God! The very next day I heard from the school secretary that she had 8 kids in her office telling her how yesterday at that party club they had believed in Jesus and were now children of God!!! This next month a weekly Good News Club will be starting at Del Rio Elementary School in partnership with Piney Grove Baptist Church .
