## God At Work

### Prayer quote

“Prayer lays hold of God’s plan and becomes the link between His will and its accomplishment on earth. Amazing things happen and we are given the privilege of being the channels of the Holy Spirit’s prayer.”

Elizabeth Elliot

God is truly at work here in Northeast TN! He has gathered together an amazing group of volunteers from Cocke County to Carter County, from Sullivan County to Washington County. God has assembled a team of warriors who contend together every week to bring the Good News of Jesus to the children. So far just this school year, we have seen a total of **18** children trust Jesus as their Savior and **298** children are attending *Good News Club*®. As our volunteers commit to training, prayer, and consistent study in partnership with Holy Spirit, God is moving.

Seeds are planted, watered, and harvest comes as God gives that increase. We are so thankful and so proud of each one of the volunteers who serve with us throughout Northeast TN.

Our volunteers are some of the most passionate, dedicated, and giving individuals you would ever meet. YOU could become one of them!
